HOTEL DUKES' PALACE - HISTORICAL PRIDE IN AN EXCLUSIVE WAY

Hotel Dukes' Palace occupies a prime location in the medieval city.

This beautiful landmark building is situated in the heart of the UNESCO World Heritage city Bruges. The former 'Prinsenhof' dates from the 15th century and welcomed prestigious hosts such as Maria of Burgundy, Maximilian of Austria, Erasmus, Thomas Moore,... Steeped in history, the castle was built to celebrate the marriage between the Duke Philip III (Philip de Goede) and Isabella of Portugal.

The 135 rooms, including 22 suites combine today's comfort with authentic charm of the 15th century. Some of these suites have been carefully restored to their former glory with original paintings and ornaments.

Hotel Dukes' Palace offers an exclusive setting for your meetings and events. The hotel has a conference centre of 550m² with 10 meeting rooms and boardrooms, a private terrace overlooking the 3000 m² garden and a historic chapel.

In addition, Hotel Dukes' Palace has other assets, such as the underground secure parking of 90 places and a lovely restaurant, where our chef spoils you with a variety of dishes. We also have the ability to provide customized catering for your event.

Your wishes are the foundation for a tailor made offer from our professional meeting planner. A dedicated team of hospitality professionals is at your service in order to make your event memorable.

We are looking forward welcoming you and your guests to the Hotel Dukes' Palace.

With kind regards,

Franky Pyck
